

FOURTH ANNUAL NORTH PENNINES WOOL EVENT
St. John's Chapel, Upper Weardale
FRIDAY 11th OCTOBER 2013

PHOTOGRAPHY COMPETITION "NORTH PENNINES SHEEP & WOOL"

ENTRY DETAILS

To celebrate the sheep and the wool of the North Pennines, we're inviting you to take part in a photography competition and exhibition on the subject of

"North Pennines Sheep & Wool".

Please send us prints, preferably on photographic quality paper, ready for us to mount onto exhibition display boards. Please make your prints no larger than A5 paper size. They may be landscape or portrait format. Although the subject is strictly North Pennines sheep and wool, you can be as creative as you like in your approach.

There is an Adult Section (17 years and above) and a Junior Section (16 years and under).

Please put your name and address on the reverse of each of your entries. If you are 16 years and under, please also put your age.

The prints will be exhibited as part of the North Pennines Wool Event in the Barrington Hall, St. John's Chapel, on Friday 11th October 2013. Please make sure your entries are received by 10am that day. You could deliver them directly to Barrington Hall on the Friday morning.

Alternatively (and better still), you could post your entries to arrive no later than Thursday 10th October to the following address:

North Pennines Sheep & Wool
High Ashgill
Garrigill
Alston
CA9 3HB

The competition will be judged during the morning of the Wool Event. The Adult Section prize will be a £20 voucher redeemable with any of the stall-holders. The Junior Section prize will be £10 cash. Visitors to the exhibition will have the chance to vote for their own favourite, for which a special "people's prize" will be awarded.

Unless you collect your entries at the end of the exhibition, we won't be able to return the prints to you. We would like to be able to use some of the images for our website and any other publicity material that promotes North Pennines sheep and wool. If we use your image, we will acknowledge you by name.

If you have any enquiries about entering the competition, e-mail info@northpennineswool.org.uk.
